

Maths

St Joseph's Catholic Primary are pleased to introduce their new Maths Ambassador team. Each class has put forward a member of their class who loves Maths and wants to encourage that love in others.

The Role of the Maths Ambassador

- To share a love of maths with their class.
- To celebrate achievements.
- To introduce competitions and new ideas.
- To raise the profile of maths in school.
- To lead activities relating to maths.
- To give the pupils in their class a voice and help them to share their ideas.
- To support other members of the school.
