

Computing

St Joseph's Catholic Primary are pleased to introduce their new Computing Ambassador team. Each class has put forward a member of their class who loves computing and wants to encourage that love in others.

The Role of the Computing Ambassador

- To share a love of Computing with their class.
- To link with Miss Cocks, the subject leader
- To think and develop creative ways to promote computing across the school.
- To look for ways for pupils to develop their understanding of computing through lunchtime and after school clubs.
- To give the pupils in their class a voice and help them to share their ideas.

Meet the Team

	<p><u>Harper-Rose - Representing Donaldson</u></p> <p>"I like Beebots."</p>
	<p><u>Sofia & Lyla -Representing Dahl</u></p> <p>Sofia has enjoyed creating maps for the Beebots to move around.</p> <p>Lyla enjoys programming the Beebots.</p>
	<p><u>Fionnuala & Elsa - Representing Rowling</u></p> <p>Fionnuala enjoys all forms of computing. In particular, she likes to use the internet to practise her times tables on Times Tables Rock-Stars and talking to her friends safely on apps.</p> <p>Elsa enjoys using the keyboard to type as it challenges her as well as using the internet to research different things.</p>
	<p><u>Billy & Sebastien- Representing Morpurgo</u></p> <p>Billy is eager to explore new technology and programmes. He understands the importance of being safe online and encourages sharing this message with his peers. Sebastien is enthusiastic about computing and likes to research on different devices. Most recently Sebastien has been learning about shape in Maths and has been deepening his learning by researching pictures of irregular hexagons. He also enjoys editing pictures and videos.</p>
